Our Mission

The Greater Hartford Legal Aid Foundation’s mission is to ensure equal access to justice by raising funds to preserve and expand civil legal services for low-income people in Greater Hartford by supporting Greater Hartford Legal Aid.
This Report honors the significant contribution that you all made to GHLA in 2020, as our community faced extraordinary challenges. GHLA’s clients needed us, we needed YOU, and we all delivered. With your support GHLA adapted new strategies to help people living in poverty withstand the deluge of income loss, challenges to obtaining food, health care and education, and overall threats to safety and stability.

At our December 2020 4th Annual Celebrating Leaders for Justice virtual Gala, Frank R. Jimenez, Executive Vice President and General Counsel of Raytheon Technologies Corporation, recognized the crucial role corporations and the private legal community plays in supporting equal access to justice. Connecticut 5th District Representative Jahana Hayes affirmed, “Using resources to pull the levers of the law on our communities’ behalf bends our collective arc toward justice.”

The pages that follow honor our vibrant partnership with lawyers, law firms and corporations who support our mission. Over the period covered by this report, January – December 2020, we are proud to report we raised a total of $398,172.

The Foundation extends special thanks to Raytheon Technologies Corporation and its attorneys, who gave so generously. RTX’s remarkable 2020 total was $164,878, with 100% of RTX’s Connecticut-based attorneys making gifts. Also, we want to highlight and thank Robinson+Cole for their outstanding gift of $44,000. Finally, our sincere thanks to our Board members for your work throughout the Campaign season to secure the firm and corporate donations, and for your personal contributions.

As GHLA continues its essential and transformative advocacy for the large and diverse population of low-income clients served, the GHLA Foundation will continue to broaden the base of financial and in-kind support for this crucial work. Thank you for your foundational support – you help ensure GHLA’s critical legal services remain available to our neighbors in the Greater Hartford area when they need them the most.

Very truly yours,

Zachary R. Osborne
Raytheon Technologies Corporation Attorney & GHLAF Board President

Jamey Bell
Executive Director, GHLA
“The favorable Social Security Disability decision was needed and something I’d waited for for so long. I appreciate all the honest advice, and I never felt left out of the loop of information. Now I can try to get my medical coverage going and find a place to live for my son and me.”
