Our Mission

The Greater Hartford Legal Aid Foundation’s mission is to ensure equal access to justice by raising funds to preserve and expand civil legal services for low-income people in Greater Hartford by supporting Greater Hartford Legal Aid.
“Like slavery and apartheid, poverty is not natural. It is man-made and it can be overcome and eradicated by the actions of human beings”– Nelson Mandela

This report outlines how your generous financial contributions to the Greater Hartford Legal Aid Foundation (GHLAF) have helped thousands of people in our community overcome poverty. Many families in the greater Hartford area need a lawyer in order to meet their basic survival needs. Unaddressed, their legal problems often have serious consequences, such as continuing domestic violence, lack of income, diminished education and employment opportunities, hunger, and homelessness.

The pages that follow honor our vibrant partnership with lawyers, law firms and corporations who support our mission. Over the period covered by this report, May 2017 through December 2018, we are proud to report we raised a total of $574,188 ($123,898 in May to December 2017, and $450,290 in 2018).

The Foundation extends special thanks to United Technologies Corporation and its attorneys, who gave so generously. UTC’s remarkable 2018 total was $168,000, with 100% of UTC’s Connecticut-based attorneys making gifts. Also, we want to highlight and thank Shipman & Goodwin for their outstanding gift of $50,000, and Robinson+Cole for their exceptional gift of $44,000. Finally, our sincere thanks to our Board members for the work you provide throughout the Campaign season to secure the firm and corporate donations, and for your personal contributions.

As GHLA continues its dynamic legal advocacy for the poor, the GHLA Foundation continues to broaden the base of financial and in-kind support for this crucial work. We increased the number of attorneys and corporations who support GHLA through individual giving, and in May 2018 we held GHLAF’s 2nd benefit Gala, featuring Senator Chris Murphy as our keynote speaker. Be on the lookout for the Save-the-Date for our 2019 Gala. Thank you for the many ways you help secure a stable financial foundation for GHLA so that critical legal services remain available to our neighbors in the Greater Hartford area for many years to come.

Very truly yours,

Zachary R. Osborne, UTC Attorney & Board President GHLAF

and

Jamey Bell, Executive Director GHLA

“Impoverished families and individuals in Greater Hartford are the people who most need the protection of our proud American justice system, and at the same time are the least able to afford the cost of access to that system. Bridging that gap is what Legal Aid is all about, and it’s what GHLA executes with such ardor and to such great success in our community.”

I believe that legal assistance, advice and counseling to clients who otherwise have no voice, can and does change lives. Supporting the work of GHLA through the Foundation is a way of “paying it forward”. Assisting a client to retain housing, or assuring access to dental care for children, can have profound future ramifications for the individuals involved and for the community.

Each year, your support helps GHLA’s attorneys:

- handle over 4000 cases,
- represent thousands more through systemic litigation and advocacy, and
- use the law to protect the most vulnerable.
As sufficient and steady funding for legal aid remains a challenge, support from the GHLA Foundation provides crucial stability that helps to preserve staffing and service levels.

GHLA serves people with very low incomes—just over $32,000 for a family of four.

Visit our website at www.ghla.org to read more about the impact of our work and how we meet the ongoing challenges of poverty and unequal access to justice.
End poverty.
Advocate for justice.
